

# How to Navigate in Campus Connection 9.2

With Campus Connection 9.2, there are multiple ways to navigate. While the “classic” navigation is still available, in this job aid, we will describe how to navigate using the NavBar.

On the far-right side of the banner at the top of the page, there are four icons. The icon on the far right is called the “NavBar.” Click this button.

Click the NavBar

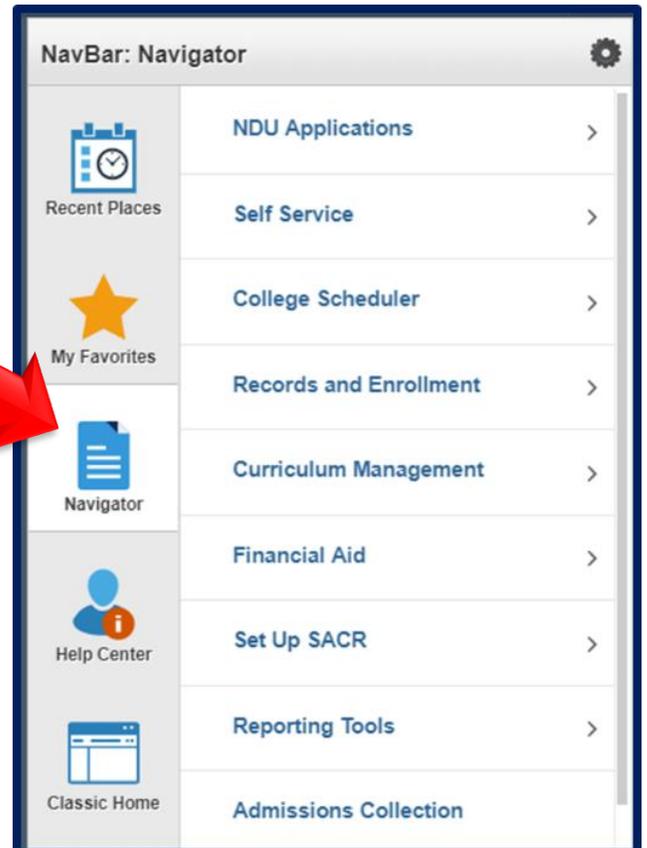

Click Navigator

When you click on the NavBar icon, navigation options appear such as:

- Recent Places
- My Favorites
- Navigator
- Help Center
- Classic Home

You can click on this from anywhere within Campus Connection.

Use the Navigator to navigate between pages within Campus Connection.

Navigation paths have not changed, but the menu does not cascade as in the Classic version.

The location of the previous step is shown in bold at the top of the list.

Within the menus, the "back arrow" takes you back one step in navigation.

The "up arrow" always returns you to the top level of navigation ("Root").

### Maintain Schedule of Classes

Enter any information you have and click Search. Leave fields blank for a list of all values.

Case Sensitive

Once you reach the page you want, it appears in its usual format.

In this example, the path was

- Curriculum Management
- Schedule of Classes
- Maintain Schedule of Classes.

The navigation "breadcrumbs" do not appear at the top of your screen, but if you click the NavBar again, your navigation menu returns.
